

Cedar Park High School Project Graduation Newsletter

SPRING 2019

Mission Statement: To provide the 2019 Senior Graduates a safe "lock-in" experience, where the graduates will be surrounded by fun activities, food, and entertainment. The concept of Project Graduation began more than 40 years ago in Maine after seven students from one community lost their lives on graduation night in an alcohol-and drug-related accident. As a result of this tragic accident, the community organized "Project Graduation" to offer their students an alternative celebration to the traditional graduation night of drinking and driving temptations that can, all too often, end in tragedy. By 1986, Project Graduation activities were held in all 50 states.

Project Graduation Evening of May 31st!

Don't delay and register
your student today!

Student Registration and
Parent Agreement form:

<http://www.cphsprojectgrad.com>
