

Cedar Park High School Project Graduation

Dear Business Owner,

On behalf of the Cedar Park High School Project Graduation organization, we would like to offer you our sincere thanks for considering sponsorship of our Senior Lock-in event. Due to our community's overwhelming generosity, we have been able to provide a safe, alcohol- and drug-free post-graduation celebration for thousands of Cedar Park High School graduating seniors over the years.

We are reaching out to you today to ask for your support of CPHS Project Graduation 2018. We would like to be able to provide this year's senior class the same safe "lock-in" experience, where the graduates will be surrounded by fun activities, food, and entertainment. The parents of the graduating seniors are extremely grateful that our students have this opportunity to enjoy the end of their high school career in such a safe environment.

The concept of Project Graduation began more than 40 years ago in Maine after seven students from one community lost their lives on graduation night in an alcohol- and drug-related accident. As a result of this tragic accident, the community organized "Project Graduation" to offer their students an alternative celebration to the traditional graduation night of drinking and driving temptations that can, all too often, end in tragedy. By 1986, Project Graduation activities were held in all 50 states.

The CPHS Project Graduation committee is requesting your financial and/or in-kind support to make this year's celebration a huge success. We invite you to consider providing cash donations, gift certificates, services or any other teen-appropriate gift items that will help us organize an event our students won't want to miss! Any support you can offer is very much appreciated. All contributions are tax deductible as Cedar Park High School Project Graduation is a 501(c)3 organization.

Unless otherwise requested, we would like to show you our appreciation by recognizing your company's level of contribution on our CPHS Project Graduation website (www.cphsprojectgrad.com). For donations of \$250 or greater your company logo will be displayed on the Cedar Park Center JumboTron during our students' graduation ceremony on June 8, 2018.

We are grateful that the CPHS community and surrounding businesses have continued to endorse our efforts to provide a safe environment for the CPHS senior class to celebrate graduation night.

Thank you for helping us to carry on this tradition. If you have any questions, please contact us at 2018cphsprojectgrad@gmail.com.

In appreciation,

Jennifer Louviere
CPHS Project Graduation President
